

Contributor License Agreement for the TorusVis Project

This Contributor License Agreement ("CLA") applies to any contribution that you make to the TorusVis project (the "project"), and sets out the intellectual property rights you grant to us in the contributed materials. The terms "us", "we", and "our" shall mean the University of Illinois/National Center for Supercomputing Applications. The terms "you" and "your" shall mean the person or entity identified below. If this contribution is on behalf of a company, the terms "you" and "your" will also mean the company you identify below. If you agree to be bound by these terms, fill in the information requested below and provide your signature. Read this agreement carefully before signing. These terms and conditions constitute a binding legal agreement.

1. The term "contribution" or "contributed materials" means any source code, object code, patch, tool, sample, graphic, specification, manual, documentation, or any other material posted or submitted by you to the project.
2. With respect to any worldwide copyrights, or copyright applications and registrations, in your contribution:
 - you hereby assign to us joint ownership, and to the extent that such assignment is or becomes invalid, ineffective or unenforceable, you hereby grant to us a perpetual, irrevocable, non-exclusive, worldwide, no-charge, royalty-free, unrestricted license to exercise, at our sole discretion, all rights under those copyrights. This includes, at our option, the right to sublicense these same rights to third parties through multiple levels of sublicensees or other licensing arrangements;
 - you agree that each of us can do all things in relation to your contribution as if each of us were the sole owners, and if one of us makes a derivative work of your contribution, the one who makes the derivative work (or has it made) will be the sole owner of that derivative work;
 - you agree that you will not assert any moral rights in your contribution against us, our licensees or transferees;
 - you agree that we may register a copyright in your contribution and exercise all ownership rights associated with it; and

- you agree that neither of us has any duty to consult with, obtain the consent of, pay, or render an accounting to the other for any use or distribution of your contribution.
3. With respect to any patents you own, or that you can license without payment to any third party, you hereby grant to us a perpetual, irrevocable, non-exclusive, worldwide, no-charge, royalty-free license to, at our sole discretion:
- make, have made, use, sell, offer to sell, import, and otherwise transfer your contribution in whole or in part, alone or in combination with or included in any product, work or materials arising out of the project to which your contribution was submitted; and
 - sublicense these same rights to third parties through multiple levels of sublicensees or other licensing arrangements.
4. Except as set out above, you keep all right, title, and interest in your contribution. The rights that you grant to us under these terms are effective on the date you first submitted a contribution to us, even if your submission took place before the date you sign these terms. Any contribution we make available under any license will also be made available under a suitable Free Software/Open Source license (as defined and approved by the Free Software Foundation or the Open Source Initiative).
5. With respect to your contribution:
- you represent that it is and shall be an original work of authorship and that you can legally grant the rights set out in these terms;
 - you warrant that, to the best of your knowledge, it does not and shall not violate any third party's copyrights, trademarks, patents, or other intellectual property rights;
 - you represent that it is and shall be in compliance with U.S. export control laws and other applicable export and import laws;
 - you agree to notify us if you become aware of any circumstance which would make any of the foregoing representations inaccurate in any respect;

- you acknowledge that we may include it in whole, or in part, at our sole discretion, and that we are under no obligation to accept it in any part;
- unless required by applicable law or agreed to in writing, you provide it on an "as is" basis, without warranties or conditions of any kind, either express or implied, including, without limitation, any warranties or conditions of title, non-infringement, merchantability, or fitness for a particular purpose;
- you grant us permission to publicly disclose your participation in the project, including the fact that you have signed this CLA; and
- you are authorized to sign this contract on behalf of your company (if identified below).

6. The place of performance is the registered seat of

The University of Illinois/National Center for
Supercomputing Applications
1205 West Clark Street, MC-257
Urbana, Illinois 61801
United States of America

Any disputes concerning this agreement including the issue of its valid conclusion and its pre and past contractual effects are exclusively decided by the competent court in Urbana, Illinois, USA; or, at our discretion, also by the competent court in whose district you may have your residence, your registered seat, an establishment or assets.

Please place an "x" on one of the applicable statement below.
Please do NOT mark both statements:

[] I am signing on behalf of myself as an individual and no other person or entity, including my employer, has or will have rights with respect to my contributions.

[] I am signing on behalf of my employer or a legal entity and I have the actual authority to contractually bind that entity.
